HARBORFIELDS BOOSTER CLUB

The Golf Outing has become an integral part of the Booster Club's fund-raising efforts. Over the last eight years the outing has provided over \$110,000 to help supplement the district's athletic program. The money raised has provided funding for the purchase of equipment for both the middle and high school athletic programs.

To continue the Booster Club's commitment to provide our student-athletes with the best possible athletic environment, we ask that you help us accomplish our goal by participating in this year's event either as a golfer and/or sponsor. If you cannot participate in the day's event but would like to make a donation or provide an item (i.e., the use of a vacation home: theatre, concert or sports tickets; or gift certificates, etc) for the raffle or live auction it would be greatly appreciated.

Thank you your consideration and continued support. Hope to see you on the 28th.
